

OUR HALL

Just a low brick building
Nothing very grand
But to the Chinnor folk who use it
A real helping hand.
The Panto that is held there
A treat for all to see
Then there's Henton Cancer Fund
To help humanity.
A dance held by the Rifle Club
Chinnor Chronicle Crafts Exhibition Fayre
And when the opera is on
Well, everybody's there.
The Ladybirds have a 'flutter',
Annual Dog Shows, something grand,
No end of shows are put on
By the Chinnor village band.
Cricket and football clubs
Have a break from local pubs
The village schools hold functions
Senior Citizens have their tea.
The fruit and veg and flower show
A lovely sight to see
They also hold the Judo Club
Kids rush there in a flood.
And if you're patriotic
You can even give your blood,
Of course there's Annual Village fete
With Vicar standing at the gate.
Chinnor Darts & Dominoes
Attend in rain or gale,
Congregational Church put on
Their regular summer sale.
Chinnor CPRE hold their usual meeting
Playing Fields Committee dance
To everyone a greeting.
A Dance to Mrs. Casey's music
Hope she gets well paid,
Scouts have a social evening
Of course there's Christian Aid.
Jubilee celebrations have
A concert for the schools
Glynswood Football Club have a dance
Those boots hurt something cruel.
If this land was like a Village Hall
How happy we would be
If its functions were as good as ours
In this year of Jubilee.
Each of them successful
To an ever crowded gate
None that fall along the way
To leave us to our fate.
Each year an annual meeting
We hope they all will last
You can stand outside on Boxing Day
And watch the prams go past.

BRITAIN please take notice
Of us Chinnor Village Hall slaves
And in this year of '77
We will once more rule the waves.
P.S. I hope you will excuse me
As off again I prance
I have not got my ticket
For the Old Tyme Village Dance.
